

requested or made under these regulations. These records shall be retained by the State or alternate participant for the periods of time specified for retention of records in the Federal Procurement Regulations (41 CFR parts 1–20).

(b) *Audit basis.* Auditing will be based on cost principles and written guidelines in effect at the time services were provided and costs were incurred. The State VR agency or alternate participant will be informed and given a full explanation of any questioned items. They will be given a reasonable time to explain questioned items. Any explanation furnished by the State VR agency or alternate participant will be given full consideration before a final determination is made on questioned items in the audit report.

(c) *Appeal of audit determinations.* The appropriate SSA Regional Commissioner will notify the State VR agency or alternate participant in writing of his or her final determination on the audit report. If the State VR agency (see §416.2218(b) for alternate participants) disagrees with that determination, it may request reconsideration in writing within 60 days after receiving the Regional Commissioner's notice of the determination. The Commissioner will make a determination and notify the State VR agency of that decision in writing, usually, no later than 45 days from the date of the appeal. The decision by the Commissioner will be final and conclusive unless the State VR agency appeals that decision in writing in accordance with 45 CFR part 16 to the Department of Health and Human Services' Departmental Appeals Board within 30 days after receiving it.

§416.2221 Validation reviews.

(a) *General.* We will conduct a validation review of a sample of the claims for payment filed by each State VR agency or alternate participant. We will conduct some of these reviews on a prepayment basis and some on a postpayment basis. We may review a specific claim, a sample of the claims, or all the claims filed by any State VR agency or alternate participant, if we

determine that such review is necessary to ensure compliance with the requirements of this subpart. For each claim selected for review, the State VR agency or alternate participant must submit such records of the VR services and costs for which payment has been requested or made under this subpart, or copies of such records, as we may require to ensure that the services and costs meet the requirements for payment. For claims for cases described in §416.2201(a), a clear explanation or existing documentation which demonstrates how the service contributed to the individual's performance of a continuous 9-month period of SGA must be provided. For claims for cases described in §416.2201 (b) or (c), a clear explanation or existing documentation which demonstrates how the service was reasonably expected to motivate or assist the individual to return to or continue in SGA must be provided. If we find in any prepayment validation review that the scope or content of the information is inadequate, we will request additional information and will withhold payment until adequate information has been provided. The State VR agency or alternate participant shall permit us (including duly authorized representatives) access to, and the right to examine, any records relating to such services and costs. Any review performed under this section will not be considered an audit for purposes of this subpart.

(b) *Purpose.* The primary purpose of these reviews is—

(1) To ensure that the VR services and costs meet the requirements for payment under this subpart;

(2) To assess the validity of our documentation requirements; and

(3) To assess the need for additional validation reviews or additional documentation requirements for any State VR agency or alternate participant to ensure compliance with the requirements under this subpart.

(c) *Determinations.* In any validation review, we will determine whether the VR services and costs meet the requirements for payment and determine the amount of payment. We will notify in writing the State VR agency or alternate participant of our determination.

§ 416.2222

If we find in any postpayment validation review that more or less than the correct amount of payment was made for a claim, we will determine that an overpayment or underpayment has occurred and will notify the State VR agency or alternate participant that we will make the appropriate adjustment.

(d) *Appeals.* If the State VR agency or alternate participant disagrees with our determination under this section, it may appeal that determination in accordance with § 416.2227. For purposes of this section, an appeal must be filed within 60 days after receiving the notice of our determination.

[59 FR 11920, Mar. 15, 1994]

§ 416.2222 Confidentiality of information and records.

The State or alternate participant shall comply with the provisions for confidentiality of information, including the security of systems, and records requirements described in 20 CFR part 401 and pertinent written guidelines (see § 416.2223).

§ 416.2223 Other Federal laws and regulations.

Each State VR agency and alternate participant shall comply with the provisions of other Federal laws and regulations that directly affect its responsibilities in carrying out the vocational rehabilitation function.

§ 416.2227 Resolution of disputes.

(a) *Disputes on the amount to be paid.* The appropriate SSA official will notify the State VR agency or alternate participant in writing of his or her determination concerning the amount to be paid. If the State VR agency (see § 416.2218(b) for alternate participants) disagrees with that determination, the State VR agency may request reconsideration in writing within 60 days after receiving the notice of determination. The Commissioner will make a determination and notify the State VR agency of that decision in writing, usually, no later than 45 days from the date of the State VR agency's appeal. The decision by the Commissioner will be final and conclusive upon the State VR agency unless the State VR agency appeals that decision in writing in ac-

cordance with 45 CFR part 16 to the Department of Health and Human Services' Departmental Appeals Board within 30 days after receiving the Commissioner's decision.

(b) *Disputes on whether there was a continuous period of SGA and whether VR services contributed to a continuous period of SGA.* The rules in paragraph (a) of this section will apply, except that the Commissioner's decision will be final and conclusive. There is no right of appeal to the Departmental Appeals Board.

(c) *Disputes on determinations made by the Commissioner which affect a disabled or blind beneficiary's rights to benefits.* Determinations made by the Commissioner which affect an individual's right to benefits (e.g., determinations that disability or blindness benefits should be terminated, denied, suspended, continued or begun at a different date than alleged) cannot be appealed by a State VR agency or alternate participant. Because these determinations are an integral part of the disability or blindness benefits claims process, they can only be appealed by the beneficiary or applicant whose rights are affected or by his or her authorized representative. However, if an appeal of an unfavorable determination is made by the individual and is successful, the new determination would also apply for purposes of this subpart. While a VR agency or alternate participant cannot appeal a determination made by the Commissioner which affects a beneficiary's or applicant's rights, the VR agency can furnish any evidence it may have which would support a revision of a determination.
